The future Aston Village will offer village style shopping with a supermarket, café and a mix of specialty retailers. A quick trip to the shops couldn't be easier or more convenient.

For those seeking a little more retail therapy, Craigieburn Central is home to Woolworths, Coles, Target, Big W and over 140 specialty stores plus a wide variety of dining and entertainment options. The best part of all? Craigieburn Central is no more than four minutes drive from the heart of Aston.

For even more choice, Greenvale and Roxburgh Park shopping centres are only a short drive away.
